

## **SAFETY PROTOCOLS**

**RPC|WE Kids is a safe and fun place for kids from birth – 5th grade to learn about Jesus and the love God has for them. Our mission is to provide a safe space for kids to make friends, learn about the Bible and know that church is a place where they belong.**

We take our responsibility to care for your children very seriously. Each aspect of our children's ministry has been carefully designed with safety in mind. We want you to feel confident leaving your children in our care.

### **BACKGROUND CHECKS & TRAINING**

You can rest assured that each of our childcare team members has undergone a thorough screening, interview, and training process. This includes background checks for those ages 18+. We keep all background checks on file and update them routinely. Our children are also always in sight of at least two team members. In addition to our initial training, team members attend regularly scheduled trainings, including emergency preparedness practice.

### **CHECK-IN & CHECK-OUT (FOR BIRTH – 3RD GRADE)**

When you visit us for the first time, you'll see that we utilize a secure check-in/check-out system for children from birth – 3rd grade. Matching identification tags will be printed for each child. Each set of tags has a unique code. One of the tags will be placed on the child's clothing and the other tag will stay with you. You will be asked to present it at pickup. No child will be released unless the code on the adult's tag matches the code on the child's tag. This ensures that the correct adult is picking up the correct child.

### **GENERAL HEALTH & WELLNESS**

In addition to our safety protocols, we strive to promote the health and wellness of our team members and the children in our care. To this end, cleanliness and tidy facilities are a priority to us. We also encourage hand sanitization.

Additionally, RPC|WE Kids does not permit team members or children who show signs of illness to enter our ministry environments. We kindly ask that they return to RPC|WE Kids after their symptoms subside.

**Thank you for trusting us to provide a safe, fun environment for  
your kids to learn about Jesus.**

**WE LOOK FORWARD TO MEETING YOU AND YOUR FAMILY!**
